Older Persons’ Care Pathway

**Governance**

**Marac and Local Safeguarding Adult Boards**

1. Disclosure or identification of domestic abuse by an older person (60+)

2. SafeLives Dash risk checklist completed

   - High risk
     - Refer Idva and Marac
       - Idva refers to Adult Social Care
         - Strategy / professionals’ meeting and proactive information sharing prior to the Marac. A single point of contact could be agreed at this point.
     - Refer to specialist services
     - Safeguarding concerns?

   - Standard or medium risk
     - Spoc maybe agreed
     - Refer to Adult Social Care
     - Refer to Adult Social Care
     - Marac meeting
       - Single point of contact agreed (if not already done so) to coordinate care

3. Marac meeting

4. Carers’ assessment for relevant party/ies including, where appropriate, the perpetrator

5. Care assessment: looking at housing, finance, health

6. Domestic abuse support

7. Marac action plan implemented
